Alternative Options

We understand no two functions are alike and we'd be happy to discuss any alternative options for catering for example set meals, hot food only or breakfast sandwiches.

Please inform us in advance of any dietary requirements or special requests.

Drinks

We offer a hot drink urn for unlimited teas & coffees at £20

Ask about other drinks options including, welcome drinks, toasts & open bars.

Room Hire

A £50 deposit is payable when booking to secure the room hire. This is deducted from the final balance of any buffet package or if no catering option is taken the £50 is the hire charge.

We regret that we cannot accept children's parties or 18th birthdays and our main function space is used for meals until around 4pm every Sunday.

We kindly request that no glitter or confetti is used on tables as it damages our glass washer
We must ask that only blu-tac is used to affix decorations to walls & painted surfaces.
